

11th Annual Conference on Health, Nursing, Aging and Nutrition

The Oxford Round Table will hold our **11th Annual Conference on Health, Nursing, Aging and Nutrition** during the dates of **August 3 – August 7, 2014** at Brasenose College in the University of Oxford, Oxford, England. Brasenose College is one of the thirty-eight colleges that form the University of Oxford and was founded in 1509. We are pleased to **invite** you to be a member of this Round Table. Membership is limited to approximately thirty-five (35) interdisciplinary scholars who have a particular interest in this subject.

Eleven years ago, a highly successful Round Table was specifically designed to explore Health, Nutrition and Aging. You are invited and encouraged to make a presentation and to provide a paper on a relevant aspect of the topic, however your participation as a member of the Round Table is not contingent thereon. Papers presented at the Round Table may be subsequently submitted for publication in the *Forum*, a journal of the Oxford Round Table. Papers considered for publication in the *Forum* are evaluated by peer reviewers as to technical and substantive quality and for potential to make a significant contribution to new knowledge in the field.

Should you accept this invitation you will be joined on the programme by Dr. Daniel Hall-Flavin, Assistant Professor of Psychiatry and Consultant in the Department of Psychiatry and Psychology at the Mayo Clinic in Rochester, Minnesota, USA where he is also Director of the Addiction Psychiatry Fellowship Training Program and former Section Head and Medical Director of the Mayo Addiction Psychiatry Service. Prior to joining the consulting staff at Mayo he served for 12 years as Medical Director for the National Council on Alcoholism and Drug Dependence in New York and Washington, DC. He previously served on the faculties of Cornell University Medical College, New York Medical College and The George Washington University Medical School before joining the Mayo Clinic.

Members of the Oxford Round Table have access to an array of academic, cultural and social resources, including the Oxford Union Debating Society, colleges and halls of Oxford dating back to 1204, museums, theatres, bookstores, college chapels, river boating, literary pubs, political clubs and may, on recommendation, become official readers of the venerable Bodleian Library of the University, founded by Duke Humphrey circa 1440 and refounded by Sir Thomas Bodley 1602. A free afternoon and evening will be available on Tuesday for independent travel to **London** (one hour south of Oxford), Stratford-upon-Avon, Bath, Stonehenge, Salisbury, Cambridge or many of the other cultural sights in England.

11th Annual Conference on Health, Nursing, Aging and Nutrition

Topics of discussion will include:

The conference will run from Sunday night through Thursday morning. We will have reception and dinners in the Olde Dining Hall on Sunday, Monday and Wednesday nights where the Oxford professors and students dine when university is in session. Lunches are provided on Monday, Tuesday and Wednesday along with tea/coffee/biscuit breaks during the meeting. You can also reserve a room in the Oxford University dormitory at Brasenose College where students stay during term time. More detailed information concerning the schedule of events and the registration fee can be found on our web site.

In order to ensure that you are registered in a timely and accurate manner, we recommend that you register on our website at www.oxfordroundtable.co.uk

. Should you be unable to attend, we would welcome your [nomination](#) of a colleague to attend in your place.

Early Registration Prices available until January 30, 2014.

We look forward to hearing from you.

Alternatively, we are also hosting a few other sessions in 2014 that may be of interest to you instead:
